### **What is Animal School?**

Animal School is a collection of educational programs that teaches people of all ages about wildlife and domesticated animals. Our talking animal characters, mascots, serve as intermediaries and ambassadors. Through interactive demonstrations, we show people the who, what, where, when, why and how of these animals, including how they affect their ecosystems and why they matter to humans. We combine the arts with education to provide this unique, year-round experience.

### **Our Cast of Characters**

Howler Wolf

Dakota Coyote

Swift the Red Fox

Inola the Arctic Fox

Kele Kestrel

Talon the Hawk

Thor the Marble Fox

Oslo Owl

Skye the Bald Eagle

And we are always  
adding more to  
the roster!
